DEAR PARENTS,

Today been the 8th day of December, 2023 marks the end of 1st term 2023/2024 Academic Session. We wish to appreciate all our amiable Parents for their understanding, tireless support and prayers through the Term, we do not take them for granted.

We will never forget to say a big thank you to our amazing teaching and non-teaching staff for their contributions, cooperations, understanding and commitments, which have resulted in the achievements of our set goals for the Term..

We heartily praise our geniuses for surmounting the tasks for the term.

They had series of assignments , morning drills, class exercises, continuous assessment tests, impromptu test, projects, presentations and examination.

It has been an exciting learning experience and adventure. In line with our theme for the session, **ACADEMIC EXCELLENCE THROUGH CREATIVITY**, we created an engaging learning environment and with your support, our learners have substantially developed more skills, confidence and love for learning.

PROGRESS REPORT: Our cognitive assessment was based on classworks, assignments, projects, Continuous Assessment Tests and Examination scores.

PROJECT WORK: We thank all our parents for supporting the learners in the handling of their Termly project work. Project work has continued to reinforce learning through learners' involvement.
